

Expandable M

Mobile exhibition trailer with your logo

The HMK Bilcon Expandable M trailer is a solid portable trailer, manufactured and tested according to our high quality standards. The exterior can be personalized with your company photos, logos and slogans to fit your target groups and segments.

We have designed the trailer with focus on functionality and ease of use. A trained person can make the mobile unit ready within 20 minutes. It is made up of 55 mm glass fiber reinforced polyester panels, which form outer and inner clothing made according to the "sandwich" principle, to achieve great strength and insulation.

Flexible walls and interior

The trailer can be easily transported and set up anywhere. When set up, the pods are easily expanded with a remote control, giving a total of 63 m² floor space suitable for exhibitions, seminars and courses. The interior design of the trailer is made according to your wishes and may include flexible wall system, airconditioning, floor heating, kitchen facilities and much more.

You have the opportunity to lease the Expandable M trailer through us at an advantageous low interest rate with a fixed monthly fee as we work with Danish and Scandinavian leasing companies.

Benefits of HMK Bilcon's Expandable M solution:

- High quality
- Fast setup
- Delivery on time
- Flexible interior design
- Long lifespan
